### New Forest Cycling Club Veteran Records

Issue: Nov 2018

The New Forest Cycling Club introduced Veteran (over 40) Age Records in 1986. Eligible rides must be done in Open, Semi-Open (eg EDCA) or New Forest CC club events. Riders must be paid up members and submit their claim(s) to the club committee in the form of a result sheet or, in the case of club events, the finish sheet signed by the relevant club timekeeper (online check OK where applicable). In the following list the current record holders are shown highlighted in green.
